Gustav Karlsson
DEVELOPER AND WEB DESIGNER

Work Experience

Software Developer
Umeå Datakonsulter AB (Umeå)

OCT 2015 - PRESENT

Consulting and developing around an enterprise product information management system. Still mostly learning, but working primarily with Java and Javascript together with IBM Content Manager and IBM Websphere.

Software Developer
Tieto Sweden AB (Umeå)

2011 - OCT 2015

Developed a full stack web application in a small team. Notable technologies used included Git, Maven, JPA, JAX-RS, JAXB, MySQL, Apache Wicket and OSGi. Common day-to-day tasks aside from programming could be discussing requirements with customer, designing web pages, and supporting users.

Web Designer and Technical Consultant
Kontorsringen i Sverige AB (Umeå)

2007 - 2010 (EXTRA)

Designed and administered the company website. Also handled various technical tasks like setting up the office network and managing backup solutions and email clients.

Education

Bachelor's degree in computer science
Umeå University (Umeå)

Studied computer science until 2011 when I took a study break to work. Finished the studies with a thesis project in 2015.

Upper Secondary School
Tannbergsskolan, Lycksele

Technical Programme with focus on Informatics.
